President's Message

HOLIDAY GREETINGS TO ALL!

As 2014 slips into our memories, I have some reflections about our Central Florida Chapter. Our participation in the Ramp for a Veteran is strong and will continue this February. The JROTC Scholarship Program has sustained for the 14th year. The few of you that have met the cadet selectees know that we have truly identified some future leaders in whatever life choices they pursue. The golf tournament continues to be a fun event that raises funds for our JROTC Scholarship Program. The sad commentary is that only a handful of chapter members participate. Our monthly luncheon gathering is a significant disappointment. Our recent Christmas luncheon that was free to members had 22 attendees. We have over 300 members.

So what does 2015 look like for the Central Florida MOAA Chapter? If it is to continue, I'm confident that the same few leaders will PRESS ON! Even though HOPE is not a plan, some new blood will step up and help to sustain the proud tradition that our Chapter represents. Without that impetus, we will continue to conduct business as usual until no one cares.

I am prepared to present to the FL Council of MOAA a proposal to host the 2017 FL MOAA Convention. However, I do not feel confident that our Chapter can do this with the current level of membership participation. That presentation could happen at the mid-January 2015 Leadership Meeting in Ocala, FL. I will discuss this with the Board members. Do any of you have an input?

This is my last, message to you. Thanks to Bob LePage stepping up AGAIN, your chapter is in good hands.

HELP YOUR SURVIVORS NOW

If you have a family, one of the most important things you can do during your lifetime is laying out the plans to take care of your family after you die. Upon your death, your survivors can expect to receive certain payments and benefits from the federal government, but it's up to you to help your survivors.

MOAA has several publications, listed below, which will give you an excellent start in this process. You can request these documents by e-mail: www.moaa.org or by calling 1-800-234-6622.

- **Help Your Survivors Now—A Guide to Planning Ahead.**
- **Survivor Benefit Plan—Security for Your Survivors.**
- **Survivor's Checklist—First Steps for Moving On.**

Also, you can request assistance in Orlando from the Retired Activities Office Phone: 407-646-4204 and Fax: 407-646-4212. Office hours are 10:00 am—2:00 pm Monday through Friday. Personnel at this office are all retired military and they can provide you with the various agencies and telephone numbers to include notifying the retired finance center.

Your survivors should know the location of your insurance policies, retirement orders, birth certificate, your current Retiree Account Statement and any other documents of importance before and after your death.

FREE INCOME TAX PREPARATION

The Orlando Retired Activities Office (RAO) will offer free assistance to military retirees in preparing their 2014 IRS tax returns. Taxes will be completed in the RAO office, room 125 of the VA building at the former Naval Training Center. Appointments are mandatory and may be made by calling (407) 646-4204.

TAPS

The Chapter extends deepest sympathy and sincerest condolence to the family and friends of:
LTC Ralph D. Cantrell who passed away October 9, 2014 and is survived by his wife Nancy.

Chaplain's Message

Happy New Year!

That's a greeting we hear often each December 31st and January 1st. As the calendar we use turns over to a new year—2015 in this case—the hope is always that it will be a good year, for us individually, the nation, and the world as a whole.

With terrorism seeming to gain greater and greater footholds around the globe, with civil unrest and rebellion in many places, that little baby depicted in so many cartoons around the start of the year faces a challenging future indeed.

There's nothing you and I can do single-handedly about these multiple problems, but, as the song goes, "Place your hand in the hand of the man from Galilee." Whatever our faith, Christian or other, we can and should look to the Lord, especially in such difficult times.

Remember, He's still on the throne, and nothing can occur on this troubled earth if He puts a stop to it. In the Old Testament/Hebrew scriptures, the Lord allowed Satan to test the ancient patriarch Job, but he put a specific limit on how far he could go in causing him grief (Job 1:12).

In the New Testament we're invited to "come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need" (Hebrews 4:16). As we seek a happy new year, we would do well to take that wish to the Lord in prayer. He can and does do great things!

May you receive His rich blessings in 2015!

In His love,

Chaplain Dick

ANNUAL GENERAL MEMBERSHIP AND SERVICE OF REMEMBRANCE MEETING 15 NOVEMBER 2014

President Gates called the meeting to order at 12:00 pm. Chaplain Sauer gave the invocation and President Gates led the Pledge of Allegiance.

The annual business meeting and Service of Remembrance was conducted in conjunction with lunch.

President Gates began the business meeting by giving a presentation on the state of the Chapter. 2014 accomplishments included in March the installation of a small portable ramp, fence repair, and yard work at the home of Gary Shaw, a Winter Park veteran. In April we had the Annual JROTC awards ceremony in which \$1,000 each was awarded to seven outstanding cadets from Central Florida high school JROTC detachments. Additionally in separate ceremonies, MOAA Leadership Medals were presented to the top Junior leader at each JROTC high school. In May, Gold Bars were presented to newly commissioned officers at UCF ROTC detachments. In October, the Annual Golf Tournament and Silent Auction was a rousing success with over 80 participants.

LT COL Hines, Treasurer, reported the chapter was financially sound and presented the 2015 budget for approval. The membership voted to accept the 2015 Budget as presented.

CAPT Rosen presented the slate of Officers and Board Members previously approved by the Board. Nominees for Offices included:

CWO Robert Hoy, USA, Ret .

Directors 2015—2016

Mrs. Patricia A. Green, Auxiliary
LTC Mike Patterson, USA, Ret.

As there were no further nominations from the floor, the slate of Officers and Board Members was approved by a unanimous vote of the members. The business meeting was concluded and lunch was served.

At the conclusion of lunch, Chaplain Sauer began the Service of Remembrance with an invocation. After the singing of *America the Beautiful*, Chaplain Sauer presented a Spiritual Message. Next Chaplain Sauer read the names of the following deceased members with CAPT Rosen tolling the bell after the reading of each name:

COL Allen W. Brown	USA, Ret.

THE NAVY EXCHANGE SAVES YOU MONEY

Navy Exchange prices are an average of 15.8% below the competition. This savings is determined by "Market Basket" surveys. The Navy Exchange Service Command hired an independent consulting firm to conduct price surveys three times per year. Prices are compared on 350 exchange items, in eight geographic areas throughout the United States with such retailers as Wal-Mart, Target, Circuit City, and Sears. The results showed that customers save an average of 15.8% (excluding sales tax savings). In the State of Florida, the total savings would be 21.8% which includes the 15.8% average plus the 6% sales tax. At Navy Exchange Orlando, the savings can be significantly more when grocery food items are included because the Orlando Food Store prices food items similar to a military commissary.

Another way the Navy Exchange helps the customer save money everyday is through its' Price Matching Policy. We will match the price of any identical item, sold in a local store - same brand, manufacturer, size, and model number. Simply bring in a current, local competitor's ad for the identical item and we will match the price. Price differences greater than \$50 require a supervisors approval. Exceptions include concession-run operations, commissary prices, fine jewelry items, special orders, gasoline, automotive parts and labor/service charges, going-out-of business sales, flea markets, clearances, and percent and dollar off specials, internet sites, etc.

One of our Chapter's major Community activities is the ROTC/JROTC MOAA Awards program. A related program is the Cadet of the Year program. These two programs involve 32 local area high schools JROTC and two ROTC units at the University of Central Florida.

The importance of these programs cannot be over emphasized. the discipline, teamwork and respect for authority which they learn as Cadets will make them better citizens.

The medals, certificates and cash awards represent an "investment" by the Chapter of over \$9800,600..

In addition, the Community Service Program provides funds to a number of charitable organizations.

We would appreciate any contribution you might consider for these programs. Please indicate if you would like your contribution to go to the JROTC/ROTC Program or the Community Service Program. **Please make your check payable to MOAA CFC, Inc. and mail to: PO Box 141025, Orlando, FL 32814-1025**

WHEEL CHAIR RAMP PROJECT

Ladies and Gentlemen,

Many of you know that I am the project coordinator for a wheel chair ramp build that is performed annually for a local veteran. For the past five years, the Military Officers Association of America (MOAA) along with several other organizations gather volunteers and perform a day of construction. Typically, the ramp is complete and ready for a deserving veteran to use at their place of residence at no cost by the end of that day. This is coordinated with Orlando's Center of Independent Living (CIL) and typically performed in February as part of their Rampage Campaign.

In the past, at least one of the ramp recipients in the CIL system had served in the military and were a veteran. This year, that isn't the case so far. In an effort to identify a veteran in need of a ramp, I have reached out to the Wounded Warriors Jacksonville office and several POCs at the Orlando VA Clinic, but without success. Now I'm reaching out to you.

Do you know of a veteran that needs a wheelchair ramp constructed at their home at no cost? John Ruzich
